The Big Ben Golden Root 108 Tan Nature Top is a traditionally styled briar pipe crafted by the Dutch manufacturer. This premium series is defined by its 'Tan Nature Top' execution, utilizing highly select briar

blocks left in a light, natural blonde finish without any dark stains. This allows the raw wood to darken naturally and develop a personalized patina over time. Shaped in the 108 straight Billiard silhouette, it features a perfectly proportioned cylindrical bowl and a linear profile that makes it highly comfortable to hold and easy to maintain. The shank is engineered with a standard 9mm internal bore, specifically designed to fit charcoal or balsa filters for a cleaner smoke. Completed with a tarnish-resistant black acrylic straight stem, the pipe ensures a tight, precise assembly.
