This Al Pascià tobacco pouch is the ideal choice for those seeking a high-quality accessory that combines elegance, functionality, and Italian craftsmanship. It also makes a refined and stylish gift.

The item is made from carefully selected fine quality leather Made in Italy, whose exceptional softness and suppleness arises from the type of process applied to the leather. This means that the item may get scratched or scuffed. Apply neutral colour wax with a soft cloth and gently massage it into the leather until fully absorbed. If the leather comes into contact with water, it should be protected and dried immediately with a soft cloth, in order to avoid any slight swelling or stains.
