Its design is thought to fit comfortably in the palm of the hand as well as pocket. Once opened your coins pour safely out on the lid

This Tacco has 2 separate pockets, the bigger is for coins

The item is made from carefully selected fine quality leather Made in Italy, whose particular texture arises from the type of process applied to the leather. This means that the item may get scratched or scuffed. Its hammered and irregular surface is part of the natural character of this type of leather and is synonymous with quality. Apply a small amount of cleanser with a damp cloth and gently massage it into the leather.
