FEATURES

The S.T. Dupont Slim 7 Golden Finish Lotus Red lighter (Reference 027707) delivers an extraordinary blend of cutting-edge tech and high-end French luxury. Weighing a mere 45 grams and measuring a record-breaking 7mm in thickness, it stands proudly as the world's slimmest luxury lighter, effortlessly sliding into any pocket or travel case. Despite its ultra-thin form factor, it packs impressive performance: the high-performance engineering powers a powerful, wind-resistant single blue torch flame that guarantees a flawless light under any outdoor conditions. Aesthetically, it showcases a striking contrast between the vivid, sleek Lotus Red lacquer and the polished Golden Finish gracing the framework and side trigger actuator. Seamlessly merging modern minimalism with opulent materials, it is the ultimate everyday accessory for cigar aficionados and design enthusiasts alike.
