### FEATURES

The S.T. Dupont Slim 7 Golden Finish Black lighter (Reference 027708) stands as the ultimate benchmark for timeless elegance merged with cutting-edge engineering. Measuring an astonishingly thin 7mm and weighing just 45 grams, it claims the title of the world's slimmest luxury lighter, designed to slip discreetly into any pocket or pocketbook. Despite its sleek, ultra-thin silhouette, its internal engineering delivers high-performance capabilities, featuring a powerful and wind-resistant single blue torch flame that ensures a seamless light in any outdoor environment. Visually, the rich, deep black lacquer pairs masterfully with the lustrous polished Golden Finish along the frame and side trigger button, creating a legendary and sophisticated aesthetic contrast. Combining elite French craftsmanship with modern ergonomics, it is an essential premium accessory for cigar connoisseurs and lovers of high-end design.
