FEATURES

Lacquer Finishes S.T. Dupont continue to innovate and develop a new lighter, DEFI EXTREME, with incomparable performances. Its innovative and unique construction combines a body with high precision injected metal and a semi rigid matt black jacket for high protection. Its intuitive ergonomics and its tactile features with Diamond Head pattern make DEFI EXTREME, “the daily product”, effective in any circumstances. A window indicates the exact gas level. EFFICIENCY Its blue torch flame, powerful and uniform resists the most violent winds. Defi Extreme is effective from the iciest temperatures (-10°C) to the warmest ones (+45°C). Nothing resists it! With the height the oxygen becomes scarce; Defi Extreme was tested and works at a height of more than 3500 m.
