FEATURES

For decades, Bugatti has been known by consumers for building the most innovative lighters with sophisticated designs, premium quality and excellent performance.

Car-Inspired Design, Twin Pinpoint Torch Windproof Flame, Replaceable Burner Unit With Easy Locking Lever To Replace - No Tools Necessary (2 Burner Units Included), For Use With Revolutionary Replaceable Gas Pod With 18ml Fuel Capacity (1 Pod Included), 3-Stage Adjustable Flame Angle, All Metal Housing, Single Action Ignition.

Change the way you smoke with the revolutionary Bugatti Mirage and Bugatti Vulcan Lighters

Replaceable Bugatti Fuel Pod (patented 18 ml Bugatti premium butane fuel pod, up to 100 cigars of fuel capacity per pod, interchange within seconds - simply remove bottom cap, pop out)

Patented Replaceable Burner Unit, no one enjoys sending off their favorite lighter for after-service due to clogged jets. This time consuming hassle is no longer with Bugatti's first ever replaceable Burner Units (simple snap-in, snap-out replacement, completed in seconds with no tools required, all lighters include additional burner unit with purchase)

Due to shipping and carrier regulations we can only ship this lighter without gas (degassed)
