FEATURES

The **S.T. Dupont Maxijet lighter** is designed to deliver high performance and maximum reliability, even in challenging conditions. Featuring a **powerful wind-resistant jet flame**, it ensures quick and efficient ignition in any situation.

Compared to more compact models, the Maxijet stands out for its ergonomic design, providing a comfortable and secure grip. It is ideal for those looking for a robust, practical, and high-performance lighter, perfect for both everyday use and outdoor activities.

Its build quality and materials reflect the high standards of the S.T. Dupont brand, known for reliability and durability. The bold and modern design makes it both a functional and stylish accessory.

Easy to use and refillable, the Maxijet is an excellent choice for anyone seeking a powerful, durable, and dependable lighter.

Choosing an S.T. Dupont Maxijet means combining performance, strength, and style in one product.
