FEATURES

The S.T. Dupont Slimmy Black Lacquer and Chrome lighter (Reference 028221) marks the newest benchmark for ultra-thin luxury accessories designed by the historic French Maison. A natural evolution in minimal thickness, the Slimmy line combines a featherlight feel with a sleek, elongated silhouette, engineered to slip discreetly into any pocket or travel case. Despite its remarkably slender profile, it packs superior technical performance: the high-efficiency engineering powers a powerful, wind-resistant single blue torch flame that guarantees an instantaneous, even light in any outdoor environment. Visually, the deep, mirror-polished black lacquer contrast masterfully with the brilliant, clean chrome finish running along the frame and side trigger button, creating a contemporary, sophisticated look. Blending exceptional French craftsmanship with modern ergonomics, the Slimmy is the ultimate everyday companion for cigar aficionados and lovers of clean, luxury design.
