Torch flame

The S.T. Dupont Biggy Diamond Head Gold Lighter (ref. 025009) is a commanding expression of luxury engineering and high-grade metal craftsmanship. Inspired by the classic dimensions of the iconic *Ligne 2*, the *Biggy* collection features a bold, substantial body fully decorated with S.T. Dupont's signature **diamond head guilloché pattern** in a radiant yellow gold finish. Its generous frame houses an expanded gas capacity and powers a wide, wind-resistant **flat torch flame**, engineered specifically to provide even and precise lighting for large ring gauge cigars. Combining traditional French elegance with powerful modern flame technology, this lighter stands as a true statement piece for discerning cigar aficionados.
