FEATURES

The S.T. Dupont Slimmy Diamond Head Golden Finish lighter (Reference 028119) effortlessly bridges the gap between modern ultra-thin engineering and the historic decorative heritage of the Parisian Maison. The sleek, lightweight framework of the Slimmy line is entirely adorned with S.T. Dupont's legendary 'Diamond Head' guilloché pattern. This intricate textured engraving catches and refracts light brilliantly, creating an opulent shimmering gold effect while offering an incredibly secure, ergonomic grip. Beneath its magnificent golden exterior lies a highly reliable engineering core: the advanced internal burner generates a powerful, wind-resistant single blue torch flame, meticulously tailored to deliver a swift, flawless, and even light under any conditions. Melding a timeless jewel-like aesthetic with practical everyday performance, it stands as an elite accessory for cigar aficionados and lovers of uncompromised French luxury.
