FEATURES

Fender®, the most famous guitar brand in Tokyo, is opening a boutique in the vibrant Harajuku area. On this occasion, and for the second time, S.T. Dupont and Fender® collaborate, imagining a rock line inspired by the know-how of both houses, as well as Japan. With his work of the lacquer inspired by kintsugi, but also the return of an ancient know-how with gold powder applied by hand, this collaboration makes its own the creativity of the musical universe.

Fender® cigar cutter with engraved S.T.Dupont logo. Gold finish and glossy lacquer.
