FEATURES

Handmade in Germany - Mammoth ring

"A wasp, very rare because unstained. To complete the natural effect from the pipe a part of the mammoth ring takes the colour from the briar.

The grains from briar and the mammoth are in perfect harmony so it doesn't need any stain.

This pipe lives from her minimalistic beauty.

This pipe was made in 06.2017. Probably now you are wondering.

From the beginning of pipe making from time to time I made some pipes which were special.

I decide not to sell them and to take them as an inspiration object.

In doing this I collected some outstanding pices over the years.

They are all stamped with a 1 inside the the circle Wolfgang Becker Germany + signature and date. What is the highest classification I'm using.

This one I can let go now..." Wolfgang Becker
