The BigBen Giant 176 is a unique and rather rare Canadian shape within the BigBen collection. This model stands out for its long, slender shank and elegant proportions, a form seldom seen and highly appreciated by connoisseurs.

The black sandblasted finish highlights the natural texture of the briar, giving the pipe a strong yet understated character. The

extended shank contributes to a cooler, more relaxed smoking experience, making this model exceptionally comfortable to use.

The Giant 176 is filterless, in keeping with the tradition of classic pipe smoking. A rare presence, sleek and refined, designed for the true enthusiast.
