*The handcrafted pipe Il Ceppo, freehand shape, grading 4, stands out for its elegant smooth finish, which naturally highlights the wood grain thanks to a refined contrast staining. The result is a pipe with strong visual impact, where the briar's natural pattern becomes the true focal point.*

*The medium-sized bowl features a rather generous cylindrical chamber, ideal for a steady and long-lasting smoke. The acrylic stem ensures durability and easy maintenance, while the silver band adds a touch of prestige and refinement, as well as reinforcing the*

*structural strength of the shank.*
