Francesco Ganci Isetta Brucianaso Pipe - Handmade Rusticated Briar with Ebonite Stem and Galalite Band

Discover the excellence of Italian craftsmanship with this pipe signed by Francesco Ganci, a Ligurian artisan who first trained under and is now Maestro at the renowned Accademia della Pipa. A unique piece that blends tradition, innovation, and contemporary design.

The **Isetta** model, named after the iconic small vintage automobile, represents one of the most recognizable and signature creations of the artisan. This Brucianaso version stands out for its extremely compact size and outstanding practicality, designed for a quick, convenient, and highly enjoyable smoking experience.

The rusticated finish enhances the natural texture of the briar, giving the pipe a bold and modern character, while the smooth “easy load” rim creates a refined contrast and makes packing tobacco easier and more efficient. The cylindrical drilling ensures a steady and consistent burn.

The ebonite stem provides comfort and durability over time, while the generous galalite shank ring adds visual strength and character to the overall design. The result is a pipe with a strong aesthetic impact, compact yet highly expressive.

The Isetta is one of the most iconic and defining models of Ganci’s production, perfect for those seeking a modern, functional, and distinctive handcrafted pipe.
