The Ser Jacopo Domina is a prestigious celebratory series, released on an annual basis and designed for collectors and enthusiasts seeking a unique and distinctive piece. Each edition is produced in a limited run and represents the excellence of Italian craftsmanship, combining tradition, stylistic research, and high-quality materials.

This 2020 example, number 43 of 333, stands out for its refined S2 D sandblasted finish, which enhances the natural grain of the briar

and gives the pipe depth and strong visual character. The pipe features a medium-sized full bent shape, designed to provide excellent ergonomics and a comfortable smoking experience.

The cylindrical bowl, with precise inner drilling, ensures an even and consistent burn of the tobacco, highlighting all its aromatic nuances. The acrylic mouthpiece offers durability and long-lasting performance, while the silver band, engraved with the year 2020 and the word “Domina,” adds an elegant and commemorative touch.

The shape is an artisanal interpretation of the Vulcano design, reimagined in Ser Jacopo’s distinctive style, resulting in a pipe that combines personality, balance, and strong collectible value.
