*This handcrafted **Valbruna Rusticated 1 Jellyfish** pipe is made in Italy, in Gabicce Mare, by pipemaker Simone Gaudenzi.*

The model features a medium size with a slightly compact tendency, designed to offer an excellent grip and a natural, comfortable feel in hand. The overall shape is harmonious and well balanced, intended for everyday use.

*The shape is a modern reinterpretation of a **Tomato design**,*

characterized by a cylindrically drilled bowl that ensures a regular and consistent tobacco combustion. The top rim of the bowl is smooth and flat, a detail that adds both aesthetic cleanliness and functional practicality to the design.

A distinctive feature of this model is its perfectly flat base, which gives the pipe excellent stability when placed on a surface, making it particularly practical for daily handling.

*The **Valbruna Rustic Medusa Grade 1** represents a perfect balance between tradition, ergonomics, and formal originality, an authentic expression of contemporary Italian craftsmanship.*
