Il Ceppo 1 Pipe: Black Sandblasted Bent with Natural Rim and Silver Band

*Elevate your smoking experience with this **Il Ceppo 1** pipe, a **Bent** model with sinuous lines, ideal for those seeking comfort and unmistakable style.*

The Artisan Excellence of Il Ceppo

*The **Il Ceppo** brand is rooted in the historic pipe-making district of Pesaro, established in the late 1970s. Founded by Giorgio Imperatori and masterfully led today by Franco Rossi, Il Ceppo is renowned for its "free" and harmonious shapes. Each pipe is a unique piece, handcrafted according to the traditions of the Pesaro school—synonymous with superior quality and an obsessive focus on the aesthetic potential of the briar.*

Design and Finish: Prestigious Contrasts

This pipe stands out for its textural and chromatically refined design:

- ***Black Sandblasted Finish:** A deep texture that enhances the temper of the briar, offering a pleasant tactile feel and excellent heat dissipation.*
- ***Smooth Natural Rim:** The top edge of the bowl is left smooth with a natural finish, creating a sophisticated contrast.*
- ***Silver Band:** A luxury detail that acts as a focal point between the shank and the stem, providing structural integrity and a touch of timeless elegance.*

Technical Features

- ***Spacious Chamber:** Ideal for long, meditative smokes, it features a **slightly conical bore** toward the bottom to ensure optimal combustion until the very end.*
- ***Fishtail Acrylic Stem:** Crafted from high-polish black acrylic, the mouthpiece features a subtle **fishtail** shape for exceptional stability and comfort. It is embellished with the **signature white "C"**, the hallmark of Il Ceppo authenticity.*
- ***Bent Shape:** Perfectly balanced, it is designed to hang comfortably from the mouth without straining the jaw.*

Why choose the Il Ceppo 1 series?

The "1" series represents the heart of the brand’s artisan production. This specific version, enriched by the silver band and the contrast between sandblasted and smooth finishes, is the ideal choice for the smoker looking for a robust yet refined pipe capable of delivering a cool and consistent smoke.
