### **Ser Jacopo Historica: History and Features of the Series**

The **Historica** series is the Ser Jacopo line dedicated to preserving and evolving the designs of **Giancarlo Guidi**. Originally created for the brand's 25th anniversary, this collection offers a modern take on the shapes that made the Pesaro-based workshop world-renowned.

*Series Specifications*

Unlike standard lines, the *Historica* series is built on specific craft and design pillars:

- **Annual Updates:** Rather than a one-time limited edition, this collection is updated yearly (e.g., the **Historica 2026**). Each release revisits historic designs using the latest artisanal techniques.
- **Giancarlo Guidi's Design:** The core of the series is the reinterpretation of the founder's original shapes, maintaining the classic proportions of the "Pesaro School."
- **Handmade Craftsmanship:** Every pipe is **handcrafted in Pesaro**, Italy. The shank features the engraved corporate motto "Per Aspera Ad Astra".

#### Technical Details

*Historica* pipes follow rigorous quality standards:

- **The Stem:** Since 1997, the hallmark of authenticity is the **silver "J"** inlay on the stem, which replaced the original coral dot.
- **Finish and Briar:** High-quality briar is carefully selected to ensure consistent performance, with finishes designed to highlight the wood's natural grain.

This series is designed for those seeking a pipe that embodies the essence of Ser Jacopo. It combines the reliability of **Italian tradition** with the stylistic innovation started by Guidi, resulting in a piece of history that serves as a superior smoking instrument.

#### **Ser Jacopo Historica Picta Picasso 11 Pipe (2026) - Limited Edition No. 22**

The **Ser Jacopo Historica Picta Picasso 11** is the **number 22** of a prestigious **limited edition**. This piece represents a blend of Italian artistic heritage and master-level pipe making.

#### Technical Specifications and Shape

This model is a **Full Bent** of medium-to-large dimensions, featuring a pronounced curvature that ensures optimal balance and a comfortable clench during use.

- **The Bowl:** The pipe head features a spacious chamber with precise cylindrical boring. It is engineered to provide a steady burn and consistent heat management, making it ideal for long, relaxed smoking sessions.
- **L Niger Finish:** The surface is treated with the "L Niger" smooth finish—a deep, dark stain that highlights the quality of the selected briar, giving the instrument a sober and elegant aesthetic.

### *Craftsmanship and Materials*

*Every element of this pipe has been hand-finished by Ser Jacopo's master artisans, following the strict "fatto a mano a Pesaro" (handmade in Pesaro) tradition.*

- **Silver Band:** *The transition between the shank and the stem is adorned with a **worked sterling silver band**. The silver is hallmarked with the "Ser Jacopo" brand name alongside official purity stamps.*
- **The Stem:** *Crafted from high-quality black acrylic, the stem features a striking **marbled white acrylic extension**. This chromatic contrast pays homage to Picasso's visual experimentation, providing the pipe with a distinctive, modern character.*
