Valbruna Natural Smooth Calypso 1 Jellyfish - Artisan Pipe by Simone Gaudenzi

This Valbruna pipe, model Calypso 1 Jellyfish by Simone Gaudenzi, features a natural smooth finish that highlights the cleanliness and quality of the briar. This pipe stands out for its balance between classic elegance and contemporary design details.

Design and Silhouette

The Calypso 1 Jellyfish is a medium-to-large sized pipe,

characterized by a curved silhouette that defines a harmonious line. The bowl shape is reminiscent of an egg, revisited with a profile that leans slightly toward the chimney style. The striking element that gives the piece a modern character is the oblique cut at the top of the bowl—a technical and aesthetic detail that streamlines its silhouette.

Technical Features

The pipe is designed to offer a balanced smoking experience:

- **Bowl:** Features a slightly conical drilling, designed to optimize uniform tobacco combustion.
- **Stem:** Equipped with an elegant tapered cumberland stem with a fishtail bit, ensuring optimal comfort during the smoke.
- **Aesthetics:** The natural finish enhances the quality of the briar.

A Sober and Elegant Choice

The Valbruna Calypso 1 Jellyfish by Simone Gaudenzi is a pipe intended for the smoker who seeks formal sobriety without sacrificing a distinct personality.
