**Alinetu Freehand "Vulcano" Pipe - Italian Design by Daniele Carbini**

*This Alinetu pipe is the result of the creative talent of Daniele Carbini, a skilled artisan working in the heart of Sardinia. His creations carry the essence of this magical island, where pristine nature, the intense fragrance of myrtle, and the wild beauty of the landscape inspire forms that challenge convention.*

### *Vision and Silhouette*

*Presented in a finely crafted smooth finish, this pipe is a free and original reinterpretation of the classic Vulcano shape. Despite its extremely compact dimensions, the pipe boasts masterfully balanced proportions—an aesthetic harmony that demonstrates Carbini's profound technical mastery. The curved silhouette gives the pipe a graceful and dynamic profile.*

### *Technical Features and Conviviality*

*Designed for those who seek the pleasure of an intense but brief smoke, this pipe is the perfect ally for daily breaks, making it an ideal companion for a relaxing "coffee break."*

- **Bowl:** Features a conical internal drilling that ensures even combustion within a compact volume.
- **Stem:** Hand-crafted from German ebonite rod stock, the stem showcases high-level workmanship with a fishtail bit.
- **Details:** The junction between the shank and the stem is embellished with an elegant horn ferrule, adding a touch of sophisticated texture to the overall design.

### *The Elegance of Simplicity*

*This small Alinetu pipe by Daniele Carbini combines the sobriety of Sardinian craftsmanship with a modern vision. It is an ideal choice for the smoker who desires a unique piece, meticulously detailed, capable of offering a high-quality smoking experience in a portable format.*
