FEATURES

Mysterious and captivating, geodes inspire an S.T. Dupont collection expressed through two mineral tones: a deep blue evoking agate, a symbol of balance, and a vibrant green reminiscent of malachite, representing protection and energy.

Like these precious stones, each Géode creation reflects the artisanal craftsmanship and precision excellence of S.T. Dupont.

The Minijet lighter is adorned with a motif inspired by the crystalline structure of agate. Chrome finish.

It features a blue torch flame.

Associated gas refill: black

Lighter delivered empty of gas; refill sold separately.
