captures the attention of connoisseurs through its ability to blend fluid, harmonious lines with a solid and structured presence.

Harmonious Geometries and Classic Inspiration

The design of the Odeon 847 features a curved silhouette that draws inspiration from the classic tomato shape. The rounded, medium-capacity bowl is engineered with a cylindrical chamber.

The Tan Polish finish enhances the natural beauty of the briar through a deep polishing process, bringing out the wood's grain and contrast with warm, traditional tones.

- **Black Acrylic Stem:** *Shaped to integrate perfectly with the pipe's curved lines, it offers excellent durability over time and optimal color stability.*
- **Dual Smoking Option:** *The pipe is natively designed with an internal chamber for a **9mm filter**, but it comes complete with a practical **adapter**. This accessory allows you to easily switch to an unfiltered smoke based on your personal preference.*
