### **L'Anatra dalle Uova d'Oro Pipe - Rusticata Gigante Bent Apple**

The artisanal craftsmanship of **L'Anatra dalle Uova d'Oro** is renowned for its ability to infuse every creation with personality and uniqueness. This pipe, part of the **Rusticata Gigante** classification, offers a fascinating geometric and material contrast, reinterpreting

one of tradition's most appreciated shapes with a solid structure and a high visual impact.

#### *Briar Craftsmanship and Aesthetic Finishes*

The pipe is developed around the silhouette of a **Bent Apple**, here presented in a variant that is compact in its overall length but features a **generously sized bowl**.

The finish showcases a **uniform rustication**, executed by hand with meticulous consistency to ensure a deep texture that is pleasant to the touch and capable of facilitating optimal heat dissipation during the smoke. In perfect counterpoint to the worked surface, the top rim of the bowl (**Rim**) has been left **smooth and flat**.

#### *Bowl Geometry and Technical Specifications*

- **Bowl:** Characterized by a medium capacity, ideal for adapting to various types of tobacco blends and ensuring sessions of medium duration.
- **Internal Engineering:** The combustion chamber features a regular **cylindrical drilling**, designed to ensure a constant draw and a uniform burn.
- **Stem:** Crafted from high-quality, high-gloss black acrylic that remains unalterable over time. The profile is a **saddle stem**—a choice that visually reduces the thickness of the bite, lightening the pipe's lines—and finishes with a subtle **fishtail lip** for a natural and comfortable grip between the teeth.

The combination of the substantial bowl and the compact body makes this Bent Apple a pipe with a strong personality, extremely well-balanced both when held in the hand and when kept in the mouth.
