The Big Ben Golden Root 108 2Tone Red Polish Double Brass pipe represents a curated combination of style and geometric classicism, expressly conceived for the modern smoker seeking elegance and precision. This model is developed on the legendary 108 shape, a straight Billiard boasting impeccable proportions and a weight

distribution balanced to the millimeter. Belonging to the 'Golden Root' line, the pipe stands out for its '2Tone Red Polish' finish: a two-tone glossy lacquer that blends warm shades of ruby red and dark mahogany, sharply enhancing the natural grain pattern of the briar. The shank is enriched by the 'Double Brass' insert, a double ring in polished brass that illuminates the pipe's silhouette and structurally reinforces the joint. Internally, the shank features a 9mm expansion chamber designed for use with filters.
