The **Big Ben Golden Root 108 Straight Grain** 9mm briar pipe is a smooth straight billiard that combines traditional lines with a bright, modern architectural detail. Sculpted into the classic shape 108, this model provides excellent balance and a comfortable hold. The smooth finish from the Golden Root line features the Straight Grain

treatment—a high-gloss surface combining vibrant red tones with darker contrast lines to elevate the natural wood grain. The transition between the shank and the mouthpiece is reinforced by a polished aluminum band, which adds structural strength and a clean contemporary accent to the overall look. Internally, the pipe features a 9mm drilling engineered to accommodate a standard filter. The internal mechanics and airway alignment are precisely centered, ensuring a smooth, steady, and unrestricted draft.
