The Chacom Morta Spigot 186 is a straight billiard pipe made from bog oak (morta). Due to its semi-fossilized nature, this material is completely neutral and does not add any wood flavor or aftertaste, leaving the tobacco profile entirely unaltered. Built on Chacom's classic straight shape 186, it features a traditional Spigot mount—a double metal reinforcement on the shank and stem that allows the

pipe to be safely disassembled even while warm. The pipe includes a 9mm internal filter option. The internal drilling and airway alignment are precisely centered, ensuring a steady, smooth draft.
