Free gift wrapping is included

### **Dunhill The White Spot Cumberland 6102 Pipe - Bent Billiard**

*The Dunhill The White Spot Cumberland finish model 6102 pipe is crafted around the silhouette of a generously proportioned Bent Billiard. Its structure is engineered to ensure optimal balance during use.*

- **The Bowl:** Generous in size and featuring a consistent cylindrical chamber. These dimensions make this pipe

particularly well-suited for long smokes.

- **The Rim:** The top rim of the bowl is flat and left smooth. This stylistic choice creates an elegant contrast with the rest of the pipe body.
- **Sandblasting:** Executed to a medium depth, the sandblast finish highlights the natural grain of the wood without altering its structural lines.
- **Briar Cut:** The cross-cut technique brings out the prized bird's-eye pattern on the flanks of the pipe.
- **The Stem:** Made of cumberland, it integrates seamlessly with the warm, sandblasted tones of the shank.

#### Technical Specifications

#### Feature Specifications
