FEATURES

Discover the *S.T. Dupont Géode Collection: Between Luxury and Nature*

Mysterious and fascinating, geodes inspire the new and exclusive collection of **S.T. Dupont** lighters, available in two splendid mineral shades that blend high-end aesthetics with spirituality:

- **Vibrant Green:** a tribute to malachite, a precious gemstone evoking protection, strength, and energy.
- **Deep Blue:** a nod to agate, a mineral symbolizing harmony and balance.

Just like these extraordinary stones hidden within the earth, every creation in the **S.T. Dupont Géode** line reflects the prestigious artisanal savoir-faire and excellence in precision that define the historic French luxury brand.

S.T. Dupont Slimmy Géode Malachite Lighter with Gold Finish

The **S.T. Dupont Slimmy lighter** in this exclusive collection features a sophisticated pattern inspired by the rich, veined aesthetic of malachite—perfect for those seeking an elegant, ultra-slim, and contemporary luxury accessory. The precious **gold finish** beautifully enhances the mineral details, turning it into a true pocket jewel.

Equipped with a powerful and precise **blue torch flame**, this lighter guarantees a perfect, windproof light under any weather conditions.

Technical Specifications & Original Refills

To maintain the optimal, long-lasting performance of your luxury S.T. Dupont lighter, we highly recommend using original manufacturer accessories.

- **Model:** Slimmy Géode Malachite Green
- **Flame Type:** Blue torch flame (windproof/jet flame)
- **Finish:** Yellow gold with malachite mineral pattern
- **Associated Gas Refill:** Black (High-purity single-use canister)

Important Shipping Note: *In compliance with strict international transport safety regulations, the lighter is shipped **empty (without gas)**. The original S.T. Dupont black gas refill is sold separately.*
