Francesco Ganci “Mopetta” Handmade Pipe – Compact Nosewarmer with Light Rustic Finish

The “Mopetta” pipe, handcrafted by Francesco Ganci, is a fine example of Italian craftsmanship that blends originality with functionality. This compact nosewarmer design is ideal for those seeking a practical, easy-to-handle pipe without sacrificing a satisfying smoking experience.

Despite its small size, the bowl offers a surprisingly generous capacity, ensuring an enjoyable and well-balanced smoke. The light rustic finish enhances the natural character of the briar, giving the pipe a tactile, elegant appearance while also improving grip.

The name "Mopetta" is inspired by the iconic Mopetta, a charming microcar produced in very limited numbers—perfectly reflecting the spirit of this model: compact, unique, and distinctive.

The ebonite stem provides comfort, lightness, and a smooth smoking experience.
