Ser Jacopo R1 Rusticated Pipe – Quarter Bent Billiard with Black Acrylic Saddle Stem

This **Ser Jacopo R1** pipe is an elegant interpretation of one of the most classic shapes in pipe making: the **Quarter Bent Billiard**. Handmade in Italy, it combines balanced proportions, a comfortable grip, and the high standard of craftsmanship that distinguishes the Ser Jacopo brand.

The medium-sized bowl features a carefully executed **rusticated finish**. The **tobacco chamber is generously sized**, with a slightly conical bottom.

The **black acrylic saddle stem**, embellished with the signature **silver "J"** on the top, offers excellent wear resistance, lasting color stability, and a refined, understated appearance.

Graded **R1**, this pipe is crafted from a selected quality briar block, worked according to Ser Jacopo's exacting artisanal standards. The Quarter Bent Billiard shape provides a natural position in the mouth and comfortable ergonomics.
