### **Valbruna Smooth Brown 1 Jellyfish Pipe - Handmade Freehand with Canted Dublin Bowl**

This **Valbruna Smooth Brown 1 Jellyfish** is a handmade Italian pipe crafted by **Simone Gaudenzi**, master pipe maker from Gabicce Mare. Each pipe is created from a carefully selected briar block and shaped entirely by hand, reflecting both the artisan's personal style and the Italian pipe-making tradition.

The pipe features a **medium-sized Freehand** shape, characterized

by a **wide oval shank** that gives the design a modern and well-balanced appearance. The bowl is inspired by the classic **Dublin** shape, reinterpreted with contemporary proportions and a slight forward cant (**canted**), a detail that adds dynamism to the profile and enhances its elegance.

The **Smooth Brown** finish highlights the natural grain of the briar, while the partial **Bark Top** on the rim creates an attractive textural contrast by preserving part of the briar's natural outer surface, making each pipe unique.

Completing the design is a **black acrylic stem**, durable and resistant to wear, embellished with the distinctive **silver Jellyfish logo** on the top, the hallmark of Valbruna production.

Graded **Smooth Brown 1 Jellyfish**, this pipe represents a perfect balance of aesthetic research, artisanal craftsmanship, and functionality, intended for enthusiasts who appreciate original shapes without sacrificing the tradition of Italian briar pipes.
