The **Ser Jacopo R1 A Maxima pipe** is a piece that masterfully combines geometric rigor with textured character. This creation stands out within the *Maxima* classification, which is reserved for models that are distinguished by their generous dimensions.

### Aesthetic Features and Craftsmanship

The model is developed on the classic **straight Billiard** shape, reinterpreted with the distinctive personality of the Ser Jacopo brand.

- **The Rustication:** The bowl features a **bold and deep rustication**, carved entirely by hand. In addition to offering a pleasant tactile feel and a firm grip, this finish gives the pipe a vigorous appearance.
- **The Stem:** Made of **black acrylic**, it features a **tapered** line that flows perfectly into the shank. On the top of the stem, the iconic **silver "J"** stands out—an insert that symbolizes Ser Jacopo craftsmanship.

### Chamber Architecture and Smoke Quality

Designed for lovers of slow, meditative sessions, this pipe comes in a medium-to-large size.

- **The Chamber (Fornello):** It boasts a significant capacity, ideal for accommodating generous packs. The **cylindrical drilling** guarantees a smooth, consistent tobacco burn from start to finish.
- **The Smoking Experience:** It is the perfect instrument for **long smokes** and for appreciating the evolution of more complex blends (such as English mixtures or Virginia-based blends).
