The Neerup Classic Gr. 2 Bent Semi-Rusticated Pipe is a testament to the creativity of the Danish school, entirely handcrafted by the artisan Peder Jeppesen. This model stands out for its semi-rusticated finish, a refined interplay of visual and tactile contrasts where large windows of smooth, polished briar—revealing the elegant natural grain of the wood—alternate with areas finely sculpted by a dense and deep rustication. Belonging to the Classic series within the Group 2 quality level, the pipe features a bent silhouette with soft lines and generous proportions that guarantee a firm and

comfortable grip. The shank is enriched by a decorative acrylic ring and a crafted metal band.
