The Valbruna 2 Jellyfish Sandblasted Half-Bent briar pipe is an exceptional example of meticulous Italian pipe design. Within Valbruna's strict sorting system, the '2 Jellyfish' stamp indicates a high-tier selection; on a sandblasted finish, this results in a remarkably crisp, deep, and heavily textured craggy surface that follows the natural ring growth patterns of high-density briar. Colored in a subtle dark stain, it beautifully reveals its detailed three-dimensional grain structure. Shaped in a versatile half-bent silhouette, it offers a well-proportioned bowl combined with a gently curved shank, ensuring a beautifully balanced weight distribution for a comfortable clench. The pipe comes fitted with a durable, high-

gloss black acrylic stem featuring a comfortably thin button. Performance-wise, Valbruna's precise internal engineering and properly aligned airway promise an easy, unrestricted draft and a consistently cool, dry smoke.
