The Valbruna 1 Jellyfish Sandblasted Straight Billiard briar pipe is a classic staple of Italian craftsmanship, executed with perfect structural balance. Within Valbruna's grading system, the '1 Jellyfish' stamp marks the introduction to their premium selection: the sandblasted finish is tight and highly textured, neatly eroding the softer wood to highlight the natural ring growth patterns of the briar block. Shaped as a traditional straight Billiard, it offers flawless proportions and an upright cylindrical bowl, widely favored for its comfortable in-hand feel and direct, linear internal engineering. The

pipe comes fitted with a high-gloss black acrylic tapered stem that extends the line of the shank smoothly and without interruptions, designed for a precise, lightweight hold. Performance-wise, Valbruna's expert internal drilling and properly seasoned briar guarantee an easy, unhindered draft, delivering a remarkably cool and dry smoke throughout the entire bowl.
