Handmade in Denmark

Free gift wrapping is included

Peder Jeppesen Ida Boutique Gr. 4 Pipe: The Art of the Danish Bent Chubby Billiard

The signature of **Peder Jeppesen** represents one of the most appreciated expressions of the modern Danish pipe tradition. This specimen belongs to the **Ida Boutique** line, the highest classification in Jeppesen's production.

This model, classified as a generous **Group 4 (Gr. 4)** in terms of

size, presents itself as a fascinating and personal artisanal interpretation of the **Bent Chubby Billiard**. The silhouette is robust, compact, and muscular, while still maintaining the soft, sinuous lines typical of Scandinavian design.

The bowl is enhanced by a **matte smooth finish**, a choice that visually lets the briar breathe and highlights the natural grain of the wood.

Technical Characteristics and Premium Details

- **Design and Geometry:** A chubby interpretation (featuring full and solid proportions) of a Bent Billiard. The perfect structural balance optimally distributes the weight, offering surprising comfort in use despite the pipe's substantial physical presence.
- **Bowl and Thick Walls:** The bowl boasts a **large capacity**, ideal for holding generous fills of tobacco and ensuring slow, long-lasting smokes. The cylindrical chamber is drilled with precision. Of absolute technical importance are the **particularly thick and robust walls**, which offer excellent thermal insulation, keeping the pipe cool to the touch and preventing overheating during combustion.
- **Inserts and Band:** The transition between the shank and the mouthpiece is embellished with a **double band**, which pairs an acrylic insert with worked silver.
- **Mouthpiece:** Made of **marbled acrylic**. The profile flows into a **slightly fishtail** lip.

Smoking Experience and Intended Use

The **Peder Jeppesen Ida Boutique Gr. 4** is a smoking instrument designed for lovers of long, reflective sessions. The combination of a capacious bowl and thick walls makes this pipe extremely forgiving and suited to bringing out the nuances of complex English Mixtures or premium pressed tobaccos (Flakes).
