Alinetu Handcrafted Pipe - Cherrywood Full Bent

Alinetu Cherrywood Full Bent, crafted by Daniele Carbini.

This model is a free interpretation of the Cherrywood shape.

Technical Features and Design

- **Shape and Balance:** The stand-up design with a flat base allows the pipe to balance independently on any flat surface.

The pronounced bend reduces the perceived weight on the teeth, offering comfortable ergonomics even during extended smoking sessions.

- **Bowl:** Medium capacity and a regular cylindrical chamber.
- **Finish:** Smooth finish.
- **Shank and Details:** The shank features an ash wood extension, a structural and aesthetic detail that creates a natural chromatic contrast with the briar.
- **Mouthpiece:** Made of ebonite.
