Made in France

Free gift wrapping is included

The Chacom Reverse Calabash smooth bent pipe combines traditional craftsmanship from Saint-Claude with modern, high-performance engineering. It features the *Reverse Calabash* system, incorporating an internal expansion chamber inside the wide shank that allows smoke to cool and condense before reaching the mouth. Built around a well-balanced bent silhouette, it showcases a smooth natural briar finish paired with a durable, comfortable acrylic stem designed for a cool and dry smoke.
