Ser Jacopo S1 Maior A Pipe – Sandblasted Bulldog Chubby with Tapered Acrylic Stem

The **Ser Jacopo S1 Maior A** is an Italian handmade pipe that combines the brand's traditional craftsmanship with a practical and functional design. This interpretation of the classic **Bulldog Chubby** shape features compact, well-balanced proportions and a straight profile that provides a secure grip and excellent balance during use.

The **sandblasted** finish gives the surface a textured appearance that is pleasant to the touch. The medium-sized bowl is **cylindrically drilled**.

The stem is made of **black acrylic** with a **tapered** profile and a standard bit. Acrylic offers excellent wear resistance, retains its shine over time, and is easy to maintain.

Its compact dimensions, combined with the sturdy Bulldog Chubby design, make this pipe particularly convenient to carry and suitable both for everyday use and for smokers looking for a solid pipe without sacrificing a generously sized bowl.
