The Smooth Block Meerschaum Bent Egg Pipe is an authentic example of traditional craftsmanship, hand-carved in Turkey from a single piece of premium **solid block meerschaum**. Sculpted into a classic **bent Egg** silhouette, it offers soft, ergonomic contours and a silky **smooth finish** that feels wonderful in the hand. Renowned for its extreme porosity and natural heat absorption, block meerschaum absorbs moisture and delivers an exceptionally cool, dry, and flavor-pure smoke with no break-in period required. Fitted with a durable, comfortable **bent acrylic mouthpiece**, this fine smoking pipe will slowly absorb tobacco oils over time, gradually developing a rich, golden-amber patina unique to your smoking journey.
