The Valbruna Smooth Brown 1 Jellyfish pipe is a sculptural creation carved to respect the natural grain flow of the briar. Designated with the *1 Jellyfish* mark, it features a fluid **curved freehand** posture with an organic, symmetrical bowl shape that rests comfortably in the hand. The **smooth brown finish** applies a warm, deep stain that highlights, natural flame grain across the wood. Enhancing the junction between the shank and the **curved black acrylic mouthpiece** is a brilliant **sterling silver band**, offering a refined

metallic contrast against the dark briar. A distinctive artisan collectible.
