The Dunhill Shell Briar Stubby 4107F Group 4 pipe brings a bold, contemporary twist to a classic British piping icon. Scaled to *Group 4* proportions under the *4107F* classification, it features the sought-after **Stubby Prince** shape: a shortened, muscular take on the traditional Prince silhouette that pairs a compact shank with a plump, rounded bowl. The famous **Shell Briar** finish applies a deep black **sandblasted** texture, exposing rich ring-grain patterns while helping to dissipate heat efficiently. Specially fitted with an internal

9mm filter system (denoted by the *F* mark), the short shank meets a hand-finished **black ebonite mouthpiece** adorned with the iconic *White Spot*. A pocket-friendly, highly tactile collector's piece.
