

Caminetto Event Natural 2016 Pipe

Cod. Caminetto 170

EUR 690,00 / taxfree 565,57

TECHNICAL SPECIFICATIONS

1. Length	137 mm / 5.39 inch
2. Bowl height	42 mm / 1.65 inch
3. Outside diameter	48 mm / 1.89 inch
4. Chamber diameter	20 mm / 0.79 inch
5. Chamber depth	33 mm / 1.30 inch

 Weight	52.80 gram / 1.86 oz
---	----------------------

Filter	NO
Condition	New
Country	Italy
Brand	Caminetto
Model	Bent Brandy
Finish	Smooth
Shape	Bent
Material	Briar-root
Stem	Acrylic
Ornament	Metal
Original bag	of the manufacturer
Original box	of the manufacturer

FEATURES

Handmade in Italy - copper adornment

Free gift wrapping is included

Caminetto Event Natural 2016 Pipe

We present an example of extraordinary collectible and craftsmanship significance: the **Caminetto Event Natural 2016**. This model embodies the renowned manufactory's response to the concept of the **"Pipe of the Year,"** combining respect for historical tradition with a contemporary design sensibility.

The Event Series: Historical Memory and Authorial Reinterpretation

Launched in 2013, the **Event** series occupies a special place in the world of Caminetto pipes. The project originated from an idea by **Tommaso “Tommy” Ascorti**, grandson of Giuseppe “Peppino” Ascorti (one of the founding fathers of the brand). By consulting the workshop notebooks and historical models designed by his grandfather, Tommaso selects an **archival shape** each year and reinterprets it in a modern key, updating its proportions and physical details without altering its original identity.

This is not a philological reproduction, but rather a dialogue between different eras. The **Event** line is distinguished by several fundamental features:

Copper as a Visual Signature: The use of a copper ring or ferrule represents the stylistic hallmark of the series. The metal creates a warm contrast with the briar and serves as a link between past and present.

Value of the Year: The engraved year (2013, 2016, through to the most recent editions) does not merely indicate the date of manufacture, but identifies the archival design selected for that specific collection.

Independence from the Finish: The **Event** designation defines the stylistic series and not the grade of the briar. Each annual edition is offered in different finishes (from rusticated to natural smooth), making smooth examples with particularly pronounced flame grain highly significant collector’s pieces.

Technical Specifications

Manufacturer: Caminetto (Cucciago / Pesaro, Italy)

Series / Year: Event Natural – 2016

Shape: Bent Brandy (Medium size)

Finish: Natural smooth

Bowl: Medium capacity, with flat rim and cylindrical drilling

Shank: Square-section (Stand-up pipe)

Ferrule: Solid copper with “Event” and “2016” engraved on the two sides

Stem: Black acrylic with Fishtail button

Aesthetic Analysis and Pipe Architecture

Shape and Balance: The 2016 model reinterprets the classic **curved Brandy** shape. The base of the bowl gently widens before narrowing toward the top, crowned by an elegant **flat rim**. Its medium dimensions make the pipe light and well-balanced in the mouth.

Shank Geometry and Stand-up Capability: One of the most

appreciated functional features of this example is the **square-section shank**. This faceted construction gives the pipe a modern aesthetic and allows it to remain balanced when placed on a flat surface, without the need for a dedicated pipe stand.

Briar Quality: As this is a **Natural** finish, the briar block has not been subjected to opaque coloring. The grain of the wood emerges in all its authenticity: a **regular flame grain** embraces the base of the bowl and extends along the shank, interrupted by dense and uniform **birdseye** on the other sections.

Bowl Mechanics: The medium-capacity chamber is crafted with expertly executed **cylindrical drilling**, designed to ensure a regular airflow and promote an even combustion of the tobacco from the beginning to the end of the smoke.

Copper Ferrule and Stem: The junction is enhanced by the characteristic copper ferrule of the **Event** series, engraved on its two sides with the name of the line and the year **2016**. The black acrylic stem is fitted with a **fishtail button**, designed to provide a comfortable resting point between the teeth and excellent diffusion of the smoke throughout the oral cavity.

Collectible Value

The **Caminetto Event Natural 2016** represents an important opportunity for collectors of the brand. The combination of the **Brandy shape** reinterpreted by Tommaso Ascorti, the original copper ferrule, and the natural smooth finish with high-grade flame grain places this example among the most successful and elegant models in the entire chronology of the series.
