Valbruna Sabbiata 1 Jellyfish

The Valbruna 1 Jellyfish Sandblasted pipe is a characterful creation blending classic shape proportions with a rugged, highly tactile surface. Part of the distinguished *1 Jellyfish* series, it features a timeless **straight Tomato** architecture defined by a squat, rounded bowl that fits naturally into the hand. The deep **sandblasted finish** covers the entire briar surface, extending seamlessly across the rim of the bowl to showcase the natural ring-grain structure of the wood. The junction between the briar shank and the **straight black**

ebonite mouthpiece provides a clean, understated transition.
Perfectly balanced and comfortable.
