The Sasieni 4 Dot Walnut Root pipe is a refined showcase of classic British pipemaking, elevated by distinctive technical accents. Carved into a timeless **straight Apple** profile, it features a gently rounded bowl finished in the signature **smooth Walnut Root** style—a rich dark walnut stain designed to highlight the natural briar grain. The shank is distinguished by a natural **horn ring extension**

paired with a classic **army mount** fitting, a tapered push-tenon mechanism prized for its durability and ease of maintenance. Finishing the design is a **straight black ebonite mouthpiece**, proudly bearing the historic *4 Dot* trademark inlay. Lightweight, practical, and full of character.
