The Neerup Classic Gr. 2 Bent pipe is a Danish artisan creation crafted by pipemaker Peder Jeppesen. Shaped into a graceful **bent Acorn** architecture, it features a tapered conical bowl designed to provide ideal balance and ease in hand or mouth. The **dark sandblasted finish** enhances the briar's tactile 3D ring-grain structure, promoting efficient heat dissipation while offering a secure, comfortable grip. Brightening the junction at the shank is an elegant **polished metal ring**, creating a striking transition to the

curved swirled acrylic mouthpiece with its warm, marbled tones.
