The Neerup Classic Gr. 2 Tomato pipe is an expressive Danish artisan creation crafted by pipemaker Peder Jeppesen. Designed around the soft, inviting contours of a **semi-bent Tomato** architecture, it features a characteristic squat, rounded bowl that sits effortlessly in the palm. The **sandblasted finish** enhances the briar with a deep 3D texture that promotes efficient heat dissipation while providing a confident grip. Brightening the shank connection is an elegant **acrylic and metal accent ring**, introducing a stylish

contrast to the **semi-bent swirled acrylic mouthpiece**. Graded in size category *Gr. 2*, this hand-finished pipe offers exceptional handling.
