The Big Ben Golden Root 108 Tan 9mm Filter pipe is an elegant, well-balanced classic from the renowned Dutch maker. Designated by shape code *108*, it follows the timeless architecture of a **straight Billiard**, featuring a well-proportioned cylindrical bowl and lightweight handling. The **smooth Tan finish** coats the briar in a

warm amber stain, polished to showcase the wood's natural grain structure. Enhancing the shank junction is a refined **polished brass ring**, providing a sleek metallic accent before transitioning into the **straight black acrylic stem**, internally engineered for a **9mm filter**. Practical, elegant, and durable.
